

Website and Newsletter Advertising

WEB Advertising

AccessAnything.net averages more than 5000 visits per month, approximately 165 per day, gaining over 80,000 unique hits per month from a very targeted, disability related audience.

Page Ranks

Our home page ranks first in percentage, our newsletter page ranks second, our online store ranks third, links page is fourth, camps page fifth, and media page sixth. You may advertise on one or more, or all of these pages.

Social Networking

Access Anything also has a huge social networking presence with 4 Blogs and fan pages on Facebook (576 fans) and Twitter (185,000 followers).

Newsletter Advertising

In addition to our website, we produce a quarterly travel publication, *The Traveler*, which is emailed to a mailing list of more than 1000 people with disabilities and is printed for the libraries of rehabilitation and independent living centers around the country, creating a readership of more than 3000.

Currently Access Anything does not provide monthly click-reporting and advertisers must track their own statistics by providing us with the current link and html extension.

Market your business and/or service on AccessAnything.net and see the results.
